### **About the Vancouver Board of Trade**

The Vancouver Board of Trade is a 5,800-strong, membership-based, not-for-profit business association, serving businesses and the community for 122 years. It engages members in leading issues of the day to impact public policy at the federal, provincial and local levels. The Board also has a global reputation for providing outstanding positive networking opportunities, timely and relevant business intelligence, and education offerings and world-class speakers programs and conferences.

### **About Helcim**

Helcim Inc. is a credit card processor and merchant account provider with headquarters in Calgary, Alberta. Since 2006, Helcim has been providing Canadian business owners with fast and affordable credit and debit processing services. With a focus on e-commerce and online transactions, Helcim has become a Canadian leader in the design and operations of state-of-the-art online processing platforms. Helcim Inc. is a Level-1 PCI-DSS certified service provider for Visa, MasterCard, Discover and American Express. For media inquiries, company information and product offerings, please contact [media@helcim.com](mailto:media@helcim.com) or visit [www.helcim.com](http://www.helcim.com).
